### RECYCLE

After exhausting the first 4 Rs, it is important to recycle all remaining paper, plastics, metals, glass and more!

### REPURPOSE

Breathe life into an old product by turning it into a useful new item.

### REUSE

Replace disposables with items that can be used repeatedly.

### REDUCE

Small, conscious changes to your routine can make a big impact.

### REFUSE

Consider before accepting freebies or giveaways. Many times you may not actually need what is being offered.

HOW WELL  
DO YOU KNOW  
THE 5Rs?
